**“MAUREEN”**  
**WATERCOLOR AND METALLIC POWDERS ON**  
**WATERCOLOR PAPER – 7 X 5 INCHES**

**M**aureen is actively on a spiritual path. She also likes rocks a little bit. Well, a whole lot. So when I quieted my mind, and waited for the ideas and visual images to come for Maureen’s yOrb™ (your + Orb = yOrb™), the message received was that her yOrb needed to include a metallic element.

When she received her finished yOrb, she shared with me, “This made me feel totally beautiful.” As the artist I was complimented of course, but what really filled my heart was being able to reflect Maureen’s soulful beauty back to her. It’s a divine honor.
